Why is the Michigan Supreme Court even considering taking steps that would effectively change the law by denying Michigan asbestos disease victims their right to a jury trial????

It appears that Michigan and the Michigan Supreme Court are being used as tools of the asbestos industry and big business to deny working people their constitutional rights to jury trials when harmed by corporate misconduct.

The real crisis in Michigan is the failure of corporations to take responsibility for their bad actions and the willingness of big business and certain conservative republican judges to blame the victims of corporate misconduct instead of holding the corporations accountable.

Why is it that in the last four years in Michigan, there has only been ONE asbestos case tried to verdict. All other cases settle before trial.

PLEASE DO NOT LET THIS RULE NO. 2003-47 PASS!!!!
